Description

Career Employment Group Inc is seeking applications for full time Roofing Apprentices to work with our valued Host Employers across all Adelaide Areas.

As part of this opportunity, you will undertake a Certificate III in Roof Plumbing, where you will work under experienced supervisors to learn a range of skills and become a qualified Roof Plumber.

What does a Roofing Apprentice do?

Roofing Apprentices learn to install and fix metal roofs, flashings, gutters, and downpipes. You may also undertake the following tasks:

- Select and install roof sheeting, wall cladding, and roof coverings for curved roof structures.
- Read plans and specifications to calculate plumbing quantities.
- Carry out interactive workplace communication.
- Cut and join sheet metal and flash roof and wall penetrations.
- Collect and store roof water.
- Operate elevated work platforms, and erect/dismantle restricted height scaffolding.
- Fabricate and install roof drainage systems.
- Use power tools (e.g. electric/battery drills, power saws, grinders, and laser levelling devices).

Position Requirements

- Satisfactorily pass a pre-employment medical, inclusive of drug and alcohol testing.
- Hold a current driver’s licence and have reliable transport.
- Have a willingness to learn and develop new skills.
- Be punctual and have a great work ethic.
- Be able to use initiative and work well in a team.
